

Inn@vate

YOUR DREAMS ARE OUR MISSION

Foreign Economic Activity & Technical Supply Partner in Egypt

NPP EL-DABAA QUALIFIED

CAPABILITY & SUPPLY CATALOGUE

About Us

At Innovate-X, we bridge the gap between foreign engineering design specifications and local execution across Egypt. Our Foreign Economic Activity Department specializes in fulfilling complex technical Request for Quotations (RFQs) generated by international EPC contractors and foreign engineering consultants.

Proven experience supplying multinational EPC contractors at NPP El-Dabaa

Direct alignment with global standards — ASTM, ASME, EN, DIN, BS, ISO

End-to-end sourcing, logistics, customs clearance & site delivery

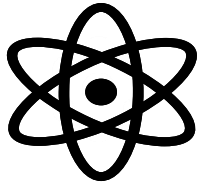

Innovate-X

YOUR DREAMS
ARE OUR MISSION

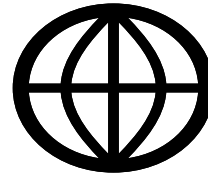

Core Capabilities

NPP El-Dabaa Proven

Extensive operational experience supplying multinational EPC contractors at El-Dabaa Nuclear Power Plant, meeting rigorous international compliance and quality assurance standards.

Foreign Engineering RFQs

Direct engineering alignment with global standards (ASTM, ASME, EN, DIN, BS, ISO). Complete submittal packages including Mill Test Certificates (MTC EN 10204 3.1/3.2).

End-to-End Procurement

Wide-scope material sourcing, international logistics, customs clearance, and dedicated site delivery across all major Egyptian project locations.

Engineering Specification & Technical Submittal Assurance

Every quotation delivered by Innovate-X includes strict datasheet matching, full document traceability, third-party inspection compliance, and exact cross-referencing against foreign design specifications.

- ✓ Strict datasheet matching against RFQ requirements
- ✓ Full document traceability across the supply chain
- ✓ Third-party inspection compliance on request
- ✓ Exact cross-referencing against foreign design specifications

Standards referenced across our submittals: **ASTM · ASME · EN · DIN · BS · ISO · API · IEC · ATEX/CE**

MATERIAL CATEGORY

Civil & Structural Steel

Key Products Offered

- Deformed Rebar & High-Strength Tie Rods
- Structural Steel Profiles (H, I, UPE, HEB), Angles
- Heavy Steel Plates, Grating & Checker Plates
- Waterproofing Systems & Concrete Additives

STANDARDS & COMPLIANCE

ASTM A615 / A706 · EN 10025 (S235, S275, S355) · ISO 9001 Certified Mills

MATERIAL CATEGORY

Piping, Valves & Fittings

Key Products Offered

- Seamless & Welded Carbon Steel / SS Pipes
- Flanges (Weld Neck, Slip-On, Blind, Threaded)
- Industrial Valves (Gate, Globe, Check, Ball, Butterfly)
- High-Pressure Fittings (Forged Steel, Butt-Weld)

STANDARDS & COMPLIANCE

ASME B36.10 / B36.19 · ASTM A106, A53, A312 · API 6D / API 5L / ASME B16.5

MATERIAL CATEGORY

Electrical & Instrumentation

Key Products Offered

- MV/LV Power & Control Cables
- Heavy-Duty Galvanized Cable Trays & Ladders
- Explosion-Proof Junction Boxes & Enclosures
- Transformers, Switchgears & Distribution Panels

STANDARDS & COMPLIANCE

IEC 60502-1 / IEC 60079 · BS EN 61537 · ATEX / CE Compliance

MATERIAL CATEGORY

HVAC & Insulation

Key Products Offered

- Galvanized Steel Duct Sheets & Spiral Pipes
- Rockwool, Fiberglass & Elastomeric Insulation
- Chillers, Air Handling Units & Fire Dampers

STANDARDS & COMPLIANCE

SMACNA Standards · ASTM C553 / EN 14303

MATERIAL CATEGORY

Fasteners & Consumables

Key Products Offered

- High-Tensile Anchor Bolts & Threaded Rods
- Wire Ropes, Lifting Slings & Rigging Gear
- Welding Electrodes & Site Safety Equipment (PPE)

STANDARDS & COMPLIANCE

DIN 931 / 933 (Grade 8.8, 10.9) · ASTM A193 B7 / A194 2H
